WILBUR & ORVILLE

THE WORKSHOP UPSTAIRS

An intimate theatrical performance

A NOTE FROM

THE PIONEER THEATER

MANTEO, NORTH CAROLINA

“

There are some stories that simply belong where they began, and yours of Wilbur + Orville Wright is one of them. Thank you for bringing your vision of the Wright Brothers home to the Outer Banks and sharing it on the stage of the Pioneer Theater. Just a few miles from Kitty Hawk, where their flight forever changed the world, your performance reminds us all that history isn't just something we read about - it's something we can still feel. We will always remember this performance with great pride and gratitude. Know that you will always have a stage waiting for you in Manteo.
